Plastic Chain Post 900 mm – Yellow/Black – Octagon Base

The **900 mm plastic chain post** in highly visible **yellow and black** is a durable and reliable solution for **marking, separating and securing areas**. Manufactured from premium **polyethylene**, it is resistant to impacts, weather conditions and UV radiation. The robust **octagon-shaped base** can be **filled with sand or water** to ensure excellent stability.

High quality at an excellent price

For many years, our company has specialized in **road traffic safety equipment**. We are a **manufacturer and direct importer**, which allows us to offer **competitive pricing** while maintaining outstanding product quality. We supply customers across numerous European markets and ship most items **directly from our warehouse**, ensuring **fast delivery**.

Applications of the 900 mm plastic post

Perfect for:

- industrial and warehouse areas
- parking lots and commercial facilities
- schools, sports halls, public buildings
- construction sites
- events, concerts and outdoor activities

5 additional application ideas:

1. Demarcating zones in amusement parks.
2. Guiding pedestrian routes in logistics centers.
3. Marking service stations in workshops.
4. Temporary barriers during renovations.
5. Managing traffic flow in hotels and conference venues.
