Cena dotyczy szpuli 50 mb.

Plastic Chain 6 mm Yellow/Black - 50 m Reel for Professional Safety Delimitation

Durable safety chain for warehouses, parking areas, construction zones and industrial facilities

Our **6 mm yellow/black plastic chain (50 m reel)** is a high-quality, durable and highly visible safety solution designed for fast, effective and economical area delimitation. The chain is made from robust plastic with **24 x 39 mm links**, providing excellent strength, weather resistance and long-lasting performance. Alternating yellow and black colors every 0.5 m ensure outstanding visibility, making the chain ideal for indoor and outdoor applications.

This product meets European recommendations for **temporary safety barriers, hazard marking and workplace protection**, widely used in accordance with occupational safety rules to restrict access, guide pedestrian flow, and mark dangerous or restricted zones.

Intended Use Based on Safety Guidelines

According to EU workplace safety practices, plastic chains are recommended for:

- creating temporary safety barriers
- marking restricted or hazardous zones
- separating pedestrian and vehicle circulation

- organizing parking and loading zones
- guiding movement in industrial halls and warehouses

Five Additional Applications

1. Marking event areas and crowd-control paths
2. Demarcation of cleaning or maintenance areas
3. Zoning in sports facilities or outdoor events
4. Blocking access to technical installations
5. Creating visual boundaries for queue management

Why Choose Our Product?

Our company has been a trusted **manufacturer and direct importer of road-safety equipment for many years**, supplying wholesale and retail customers across numerous European markets. We are known for our reliability, professional quality and one of the **largest assortments of traffic-safety products** available. Most orders are shipped **directly from our warehouse**, ensuring fast delivery and excellent value for money.

Choosing this yellow/black plastic chain means investing in practicality, visibility, durability and budget-friendly safety solutions.
