Brown Plastic Chain 8 mm - Durable and Versatile Safety Solution

High-quality polyethylene plastic chain

The 8 mm brown plastic chain is made of durable polyethylene, ensuring resistance to weather conditions and UV radiation. Outer link size: 43 × 28 mm, inner size: 32 × 13 mm. Weight: only 0.13 kg per meter – lightweight and easy to install.

Applications of the 8 mm plastic chain

Perfect for:

- road safety systems
- parking area barriers
- access control zones

Additional uses:

1. construction sites
2. warehouses and factories

3. sports and leisure facilities

4. private areas and gardens

5. events and logistics

We are a well-known European manufacturer and direct importer of road safety equipment, offering fast delivery, a wide product range, and excellent value for money.
