Popis

Potykacz ostrzegawczy "uwaga śliska podłoga"

Stojak informacyjny wykonany jest z wytrzymałego, żółtego polietylenu, dzięki czemu może być stosowany zarówno w pomieszczeniach jak i na zewnątrz. Charakterystyczna żółta barwa zapewnia dobrą widoczność potykacza, co sprawia że nie sposób go przegapić. Tablice informacyjne "uwaga śliska podłoga" przydają się na terenie biur, magazynów, sklepów oraz wszelkich innych lokali użytkowych poprawiając bezpieczeństwo klientów i pracowników. potykacz ostrzegawczy posiada informację w języku angielskim "CAUTION WET FLOOR" co pozwala na jego uniwersalne stosowanie w miejscach obsługi klientów międzynarodowych. Ustawiając stojak w miejscach śliskich jesteśmy w stanie zapobiec wielu nieprzyjemnym wypadkom. Tablice ostrzegawcze stosowane są szeroko w branży gastronomicznej, hotelarskiej, sprzątającej oraz przemysłowej.

Jeśli jesteś zainteresowany zakupem hurtowym naszych potykaczy, zapraszamy do indywidulnego kontaktu.

Warning Sign Stand – Yellow, with “Caution: Slippery Floor” Label

Professional pedestrian safety device – top quality, fast delivery, excellent value for money

---

Warning Sign Stand “Caution: Slippery Floor” – an essential safety device for every public space

Our **yellow warning sign stand with a clear “Caution: Slippery Floor” label** is one of the most effective and widely used safety devices for informing about **slippery surfaces**, slip hazards, and the need for extra caution. The product features **high-quality workmanship**, an **excellent price-to-quality ratio**, and a design intended for long-term, intensive use.

We are a **manufacturer and direct importer of road safety devices and warning products**. For many years, we have been supplying solutions to customers across Europe – both wholesale and retail. Our company is **well-known and highly valued on the market**, and most of our products are shipped **directly from our warehouse**, ensuring **very fast delivery**.

Technical specifications

- **Color:** yellow – maximum warning visibility
- **Label:** *“Caution: Slippery Floor”*
- **Material:** durable **PE (polyethylene)**
- **Dimensions:**
  - top width: **210 mm**
  - bottom width: **330 mm**
  - height: **615 mm**
- **Weight:** approx. **0.5 kg**
- **Foldable construction**, easy to carry and store
- **Excellent stability**, resistant to damage, moisture, and heavy use

Purpose and compliance with regulations

This warning sign stand is designed for **immediate and clear marking of hazards**, such as wet, slippery, or contaminated floors. According to general **Health and Safety (H&S)** rules and regulations valid in Poland and throughout the European Union, facility owners are required to **inform users about potential risks** and ensure a safe environment.

This product complies with requirements related to:

- maintaining safety in commercial, service, and industrial facilities
- **accident prevention** in workplaces
- the need for visible warning signage in areas with increased risk

Thanks to its bright yellow color and clear English-language message, the sign meets standards for **visibility, durability, and unambiguous warning communication**.

Application of the warning sign stand

The yellow “Caution: Slippery Floor” stand is suitable for many industries and locations, including:

- **shopping malls, supermarkets, retail stores**
- **restaurants, cafés, hotels**
- **hospitals, clinics, medical facilities**
- **schools, universities, public offices**
- **production halls and warehouses**
- **gyms, swimming pools, sports facilities**

Its lightweight and folding construction allow for quick placement exactly where it is needed, significantly increasing safety for both staff and customers.

5 additional ways to use the product

1. **Warning about cleaning activities** – mopping, washing, or polishing floors.
2. **Blocking access to temporarily closed areas**, e.g., during equipment failure.
3. **Directing pedestrian traffic** in busy or crowded locations.
4. **Marking dangerous zones** during repairs or technical work.
5. **Signaling obstacles** or temporary changes in the layout of a space.

With replaceable labels, the stand can also be used as a universal carrier for various warning messages.

Why choose our product?

- **High quality** – durable PE material resistant to damage

- **Excellent visibility** – bright color and large warning surface
- **Great price-to-quality ratio**
- **Fast shipping** – most products dispatched directly from our warehouse
- **Years of experience** – we are a respected manufacturer and importer of road safety devices
- **Wide assortment** – one of the largest selections of road and safety products in Europe

---
